Questions and Answers 1
Administrative Support Services

1) Question: Is this a current contract with incumbents in these positions? If so, who is the incumbent and what is the POP and Price of contract?

Response: Yes, this is a current contract. Incumbent is Consulting, Contracting Engineering (CCE) LLC. Contract W913FT-12-D-0002 was issued for a base year and two (2) one-year option periods for \$1,510,641.00. Current period of performance is 1 Mar 2014 – 28 Feb 2015.

2) Question: Does personnel need to be US citizens or is the idea to hire Columbian citizens or US citizens living in Bogota?

Response: Please refer to the PWS.

3) Question: Is the RFQ available to local staffing firms?

Response: The RFQ is available to all qualified offerors.

4) Question: Reference: RFP page 42 of 121, Section 52.212-3, first paragraph; and RFP page 44 of 121, Paragraph (b)(2). This paragraph states that the Offeror shall complete only paragraph (b) of the provision if the Offeror has completed the annual representations and certifications on the SAM website, however there is no box to check or obvious way to “complete” paragraph (b). Will the Government accept a checkmark or “X” next to the paragraph as satisfaction of this requirement?

Response: Please refer to Page 44 of the solicitation.

5) Question: Reference: RFP page 83 of 121, Section 1.6.11.1.1.a. Because a company typically must have a Facility Security Clearance (FCL) in order to employ a cleared Program Manager, will the Government sponsor the winning company’s FCL? If not, will the Government provide a form DD254?

Response: The Government will not sponsor FCL but will provide a DD 254.

6) Question: Reference: RFP page 115 of 121, Section 3.c.3.c. In an effort to clarify the Government’s preferences regarding local nationals and third country nationals, will the Government state the purpose of the requirement that the Offeror provide a statement as to whether or not only local nationals or third country nationals hired outside the United States will be employed in the resultant contract?

Response: This requirement is to determine applicability of DBA Workers’ Compensation Insurance. Refer to CLIN 0011 and corresponding option CLINs.

7) Question: Reference: RFP page 110 of 121, Section B.3; and RFP page 114 of 121, Section 3.c.(2). Section B.3 of the RFP states that, "The Government will consider three (3) relevant past performance information..." while Section 3.c.(2) of the RFP states that, "The Offeror will submit a list of at least three, but not to exceed five relevant contracts." Can you confirm that, should we decide to submit five (5) contracts, all five contracts will be considered in the evaluation of our proposal?

Response: Only the three (3) most recent and relevant contracts will be evaluated.

8) Question: Reference: RFP page 116 of 121, Section 3.(3)(e)(i). Can you confirm that, if the Offeror has no real or perceived OCI, a statement such as, "No real or perceived OCI, as defined in FAR 2.1 and discussed in FAR 9.5, will result from an award of the proposed work." will meet the requirement for this section?

Response: Yes.

9) Question: Reference: RFP page 84 of 121, Section 1.6.13 Contractor Travel. Will the Government consider providing the estimated trip breakdown by position for travel costs?

Response: No. The trip requirements vary from year to year. The estimated travel cost is excluded from price evaluation.

10) Question: Reference: RFP page 81 of 121, Section 1.6.5 Place of Performance. What is the location distribution of the positions? i.e. How many positions are in Bogota and how many are in Melgar?

Response: One position is in Melgar and the remaining positions are in Bogota.

11) Question: Reference: RFP page 7 of 121, ITEM NO 0009; and RFP page 101 of 121, Section 5.3.5.2 Overtime Report. How will the 1,500 hours of the overtime component be distributed among the positions? Is there an established limit for each position?

Response: There is no established limit for each position. The 1,500 hours will be used as needed by any of the positions, subject to the approval of the COR.

12) Question: Reference: RFP page 114-115 of 121, Section 3.c.(2)(b); and RFP page 118 of 121, Past Performance Questionnaire. Section 3.c.(2)(b) of the RFP states that the Offeror should complete Part I of the Past Performance Questionnaire, but the statement above Section 1 on the Past Performance Questionnaire states that Section 1 should be, "completed by person to whom questionnaire is addressed." Do we have permission to delete this statement from the Questionnaire in order to avoid confusing our customers?

Response: Yes.

13) Question: Reference: RFP page 114 of 121, Section 3.c.(2). Will the Government confirm that the use of affiliated companies' past performance is acceptable and in accordance with FAR 15.305 a (2) (iii) will take into account past performance information regarding predecessor companies and key personnel who have relevant experience?

Response: Yes, if the affiliated companies will be working with the parent company who is submitting the quote in the performance of this requirement.

14) Question: The pre-solicitation notice says start date is March 2016 and only 4x 3 month periods. Are these correct?

Response: No. The start date is 1 March 2015 for one year and four (4) three-month option periods after the base year performance.
